UPDATE ON DELEGATION TO ROME

The following joint statement was issued by the Canadian Bishops, the Assembly of First Nations, the Métis National Council and the Inuit Tapirit:

December 7, 2021 - *After careful assessment of the uncertainty and potential health risks surrounding international travel amid the recent spread of the Omicron variant, the Canadian Bishops, Assembly of First Nations, Métis National Council, and Inuit Tapiriit Kanatami have jointly decided to reschedule a delegation to the Vatican in December 2021 to the earliest opportunity in 2022.*

The decision to postpone was a heartbreaking one, made after careful consultation with delegates, family members, community leaders, public health officials and the leadership of each of the three National Indigenous Organizations. Particularly for many elderly delegates as well as those who live in remote communities, the risk of infection and the fluid nature of the evolving global situation presents too great a threat at this time.

We take comfort in the desire, conveyed to us by the Holy See, that the safety of the delegation should inform any decision to move forward. It is also important to note that the delegation is postponed not cancelled.

Currently, the world's health experts are still learning about the transmissibility of the Omicron variant. As more information becomes available, we will continue to assess the feasibility of future travel plans, based on guidance from the Canadian government and relevant international authorities.

Our shared commitment to walking together towards healing and reconciliation remains strong. We understand that the Holy See is very much committed to rescheduling this visit in the new year and we look forward to the opportunity for Indigenous Elders, knowledge keepers, residential school survivors, and youth to participate in private meetings with Pope Francis.
